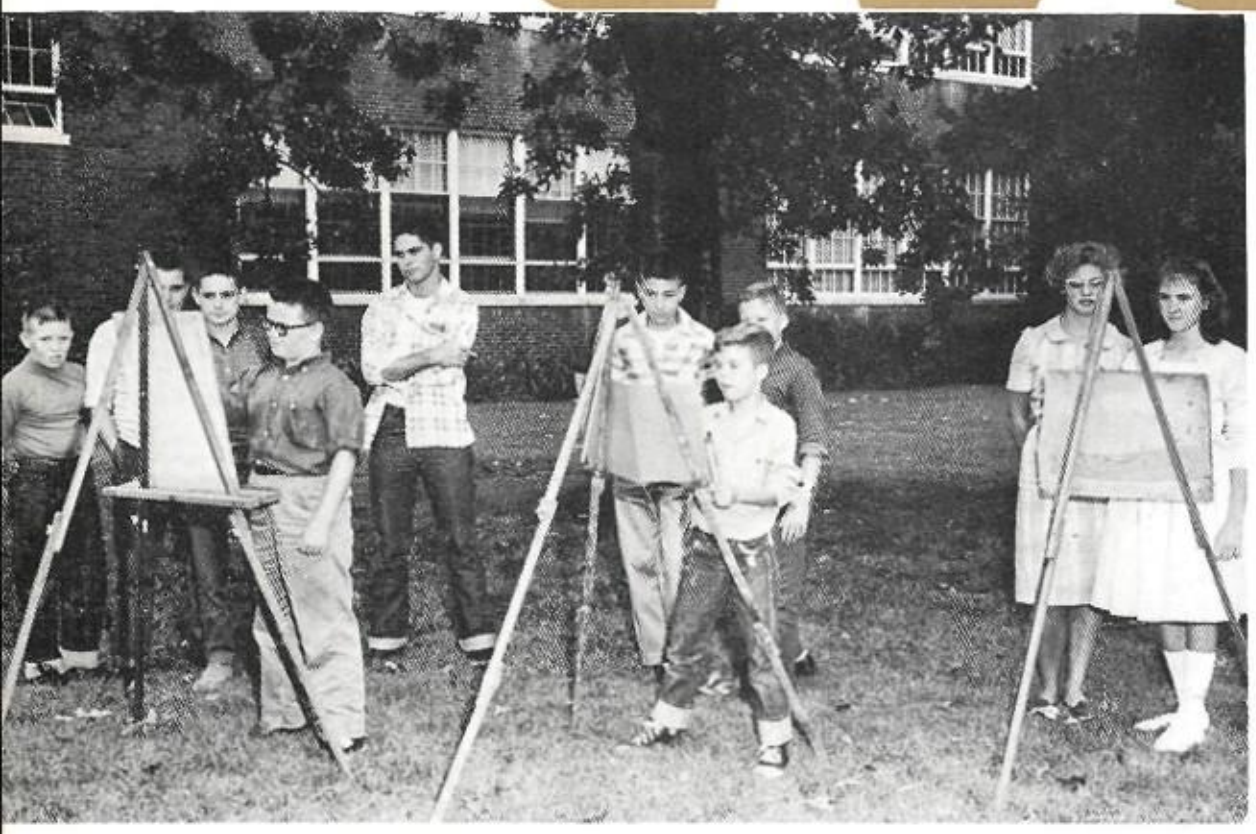
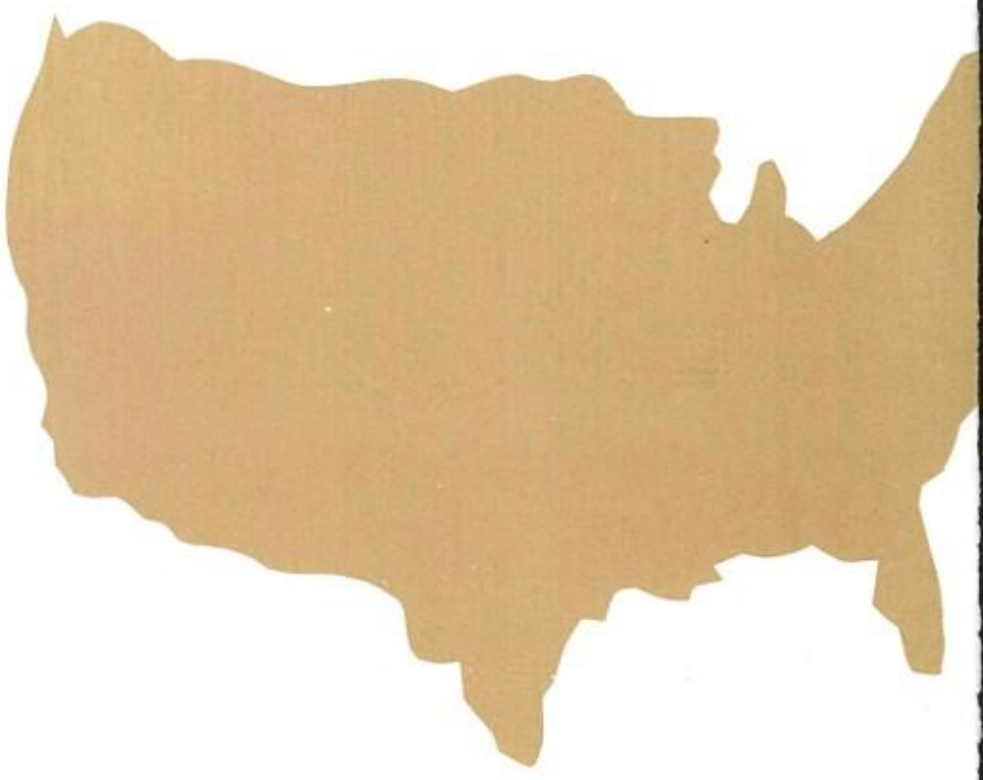
CREATING



Memories Unfold From Moments of the Past.

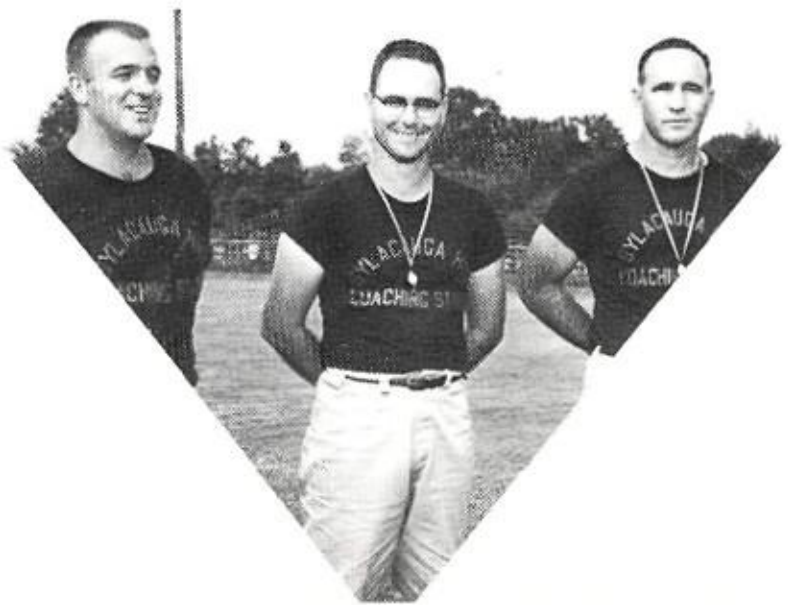


MR. R. L. THOMASON

We, the Senior Class of 1962, proudly dedicate the Syhiscan to Mr. R. L. Thomason. His bubbling enthusiasm and love of life prompt the students to look forward to his classes.

His teaching methods and personality make the study of history fun and interesting.

ADMINISTRATION AND FACULTY



MR. C. L. MARTIN

For eighteen years Mr. C. L. Martin has been superintendent of the Sylacauga Schools, and through his outstanding ability our schools have become well known throughout the state.

No man could have been more diligent in his efforts nor earnest in his desire to continually improve schools. He will long be remembered by the Senior Class of 1962.

MRS. C. L. MARTIN,
Bookkeeper
MRS. BETTY DeLOACH,
Secretary

MR. R. L. PORCH

With a quiet dignity and almost uncanny ability to see through alibis and excuses, Mr. Porch is the fitting blend of authority and understanding. To know him is to understand why Sylacauga High School has moved forward.

Fairness and cooperation are the trademarks of his supervision, and faculty and students know they will be met more than half way when they take their problems to the office. Mr. Porch's main interest is seeing that Sylacauga High School progresses.
